## **XCEO, Inc. Releases BoardPortal PLUS® Surface and Windows 10 App Version 1.0**

XCEO, Inc. is excited to announce the release of its BoardPortal PLUS® app for Microsoft Surface and Windows 10. XCEO apps are available to download in the Microsoft Store, Google Play and the Apple App Store. You may also visit our websites [www.xceo.net](http://www.xceo.net) and [www.boardportalplus.com](http://www.boardportalplus.com) to be directed to the appropriate app store of choice.

The BoardPortal PLUS® Surface and Windows 10 app offers nearly all of the functionality of the web version, while giving users another platform for accessing BoardPortal PLUS® on the go. XCEO is committed to providing a consistent user experience across all platforms, and providing more flexibility already enjoyed by Android and iPad users. With the growing trend and demand for Microsoft Surface and Windows 10 apps, XCEO is proud to deliver additional options to access BoardPortal PLUS®. Similar to our other apps, users can access board evaluations, D&O Questionnaires, email-messaging, and a rich Concierge section of tailored news and insights. In addition, BoardPortal PLUS® has integrated Moxtra, a communication tool in order to enhance the communication process with an easy approach to board and committee meetings. Imagine voice, video and document sharing capabilities from anywhere under a single platform.

By responding to requests from our clients, we continue to make changes that enhance the security of their information. In this particular case, "device access" has been identified as an important control point for protecting sensitive data. Recognizing that BoardPortal PLUS® is available via multiple platforms, such as web browsers, tablet apps for Android, iOS, Windows Surface and Windows 10, your board can decide which platforms to access or restrict, as a convenient and secure way to communicate.

Boards and leadership teams can utilize cutting-edge technology in order to improve the efficiency and effectiveness of collaboration from anywhere in a secure, agnostic platform and user-friendly environment.

XCEO delivers an integrated set of products, services and processes, designed to far exceed expectations. An easy-to-use yet powerful resource, your team can experience the same look and feel across all of our platforms. Use BoardPortal PLUS® and BoardPortal PLUS Connect® to communicate, share and learn from anywhere.
