XCEO, Inc. Announces a New Business Unit and Names CTO Mike Dobmeier as President

XCEO, Inc. announced today that effective immediately, Chief Technology Officer Michael Dobmeier has been named the President of XCEO's new business unit, BoardPortal PLUS. As President and CTO, Mr. Dobmeier will have full responsibility for all operations, marketing and sales strategies for the board portal software which is available across a wide spectrum of platforms which include web browsers, iOS, Android, Surface tablets, and Windows 10 applications.

In addition, Mr. Dobmeier will oversee global software development, quality assurance, security, risk management, infrastructure, and product management. He has worked in the technology field for the past three decades with a focus on system architecture, enterprise applications, process development, data management, client relations, and program management.

Mr. Dobmeier stated, "We have immense goals at BoardPortal PLUS, and will achieve them because we have a team of resilient and innovative leaders who share a unified vision to continue being the leading board portal on the market."

Prior to joining XCEO, Mr. Dobmeier held management positions at Philips Semiconductor, LSI Inc., VLSI, and CashEdge. In the 1980s he also served in the United States Marine Corps as an Asset Management Manager. During this enlistment, he managed the Marine assets for the Marine Corps Security Force Battalion, 5 USMC Companies and 13 US Naval ships which included several aircraft carriers.
