## XCEO Opens A New Office in the Chicago Area

XCEO Inc., a unique corporate governance consulting and board recruiting firm is opening an office in the Chicago area. Having also expanded its leadership team, this reflects the tremendous growth XCEO has experienced within the past year. A strategic move by the company, XCEO's President and CEO states, "At XCEO, we develop and implement proven principles and best practices, which support highly enlightened boards, and high-aspiration individuals, in accelerating their progress toward achieving extraordinary high levels of performance. We are committed to delivering an unparalleled level of quality products, services, processes and support to our clients. Our new Chicago area office is another platform from which to accomplish our mission." The new office location will also give XCEO a more pronounced presence outside of its corporate headquarters in Santa Clara, CA.

The additional office space will also allow XCEO and its accomplished team of Program Directors to better serve existing clients, who are dispersed around the country. In addition to being more accessible, the new location will also serve as an outlet to better cater to XCEO's expanding list of potential clients of high aspirational, high achieving individuals.

XCEO and its team are excited about this milestone, and are thrilled to continue down this path of growth and success.
