## Public Sector Governance Program From XCEO Offers Comprehensive Solution to Enhance Board Leadership and Effective Governance Initiatives for Public Sector Boards

SANTA CLARA, Calif./EWorldWire/April 13, 2011 --- Governance and leadership development consulting firm XCEO Inc. introduces its Enlightened Public Sector Governance Program as a comprehensive solution offering public sector boards effective tools and consulting services for strengthening three key effective governance areas: Board Leadership Development, Risk Oversight and Director Succession Planning.

XCEO's focus is to substantially improve the direct correlation between effective nonprofit board governance performance and the delivery of improved products and services to the clients served by nonprofit organizations.

Through a powerful combination of unique, state-of-the-art products and comprehensive consulting services, XCEO arms boards with the essential awareness and knowledge of appropriate board performance to support 501(c) organizations in fulfilling their missions.

Program Director Theresa Kiernan says, "For eight years, through the Enlightened Corporate Governance offerings, XCEO has partnered with many corporate clients, providing significant and impactful results regarding corporate board effectiveness and director leadership development. Exceeding expectations at all levels, clients suggested that we offer the same principles and exceptional support to their nonprofit colleagues. We are very excited about our launch of the Public Sector Governance program."

XCEO partners with public sector organizations and provides boards with the skills and knowledge to achieve enlightened governance best practices. With products that are rich and comprehensive in nature, XCEO's skilled and knowledgeable staff consultants are prepared to deliver focused and pertinent advice supporting a board and its directors in crafting a strategic plan to improve overall board governance performance. XCEO consulting services also include risk oversight, CEO/President, committee, individual leadership and board evaluation components.

Consistent with all products and services within XCEO's portfolio of offerings, the Enlightened Public Sector Governance Program is based on the concept of SCIENCE. The process is secure, confidential, inexpensive, effective, networked, comprehensive and easy to use.

The Enlightened Public Sector Governance Program offers a variety of individual director and board offerings which range in price from \$4,500 to \$36,000 for the Silver, Gold and Gold Plus standard consulting, as well as advanced consulting options for a more robust consulting experience. Gold Plus Advanced Consulting includes XCEO's proprietary Board Attribute, Skills and Experience (BASE) Analysis, Board Leadership Effectiveness (BELIEF) Analysis, and the XCEO Performance Index. Please contact XCEO for specific advanced consulting pricing.

All of XCEO's program options offer clients a confidential, on-demand consultative partner focusing on board leadership development, director succession planning and risk oversight. XCEO's consulting partnerships provide data-driven, research-based, proven results.
