XCEO Develops Executive Management Board Assessment, A Comprehensive Process For Executive Teams To Assess Boards Of Directors

SANTA CLARA, Calif./EWorldWire/Aug. 17, 2011 --- XCEO Inc., a leadership & governance consulting firm specializing in board leadership development and professional mentoring, announces the release of the Executive Management Board Assessment as a part of its Enlightened Governance Board Performance Evaluation Programs.

In XCEO's efforts to continually add value to its clients by providing unique evaluations and consulting support, the XCEO team developed the Executive Management Board Assessment to provide a process by which the executive team can provide a comprehensive and confidential assessment of the board of director's performance. This latest evaluation is available to clients engaged in XCEO corporate and public sector programs, with the Executive Management Board Assessment uniquely tailored for the needs of nonprofit and corporate entities.

The development of the Executive Management Board Assessment is the direct result of research and client feedback. Providing unmatched flexibility and timely responses to client needs is a hallmark of XCEO, and this latest addition to XCEO's variety of product offerings is no exception.

XCEO's comprehensive programs continue to evolve providing unparalleled products and services that effectively drive boards and their directors to improve performance and deliver outstanding shareholder value. For information regarding XCEO, the Enlightened Governance Board Performance Evaluation Programs and the latest Executive Management Board Assessment, please visit <http://www.xceo.net>.

Enlightened Governance Board Performance Evaluation Programs

XCEO developed the Enlightened Governance Board Performance Evaluation Programs for public and nonprofit directors and boards to meet the needs of boards in their pursuit of enlightened governance. There are over 20 unique evaluations available to XCEO's board clients, and they are all completely Web-based, and securely processed and stored.

All exercises include a comprehensive set of reports that are individually packaged within XCEO's presentation template to provide each board an easy to understand but tailored and detailed presentation of its exercise results. XCEO's automatically generated reports provide up-to-date industry data, benchmarking, statistical analysis and commentary for each set of results. For the benefit of XCEO's clients, a turnkey presentation for boards including breakdown of responses to each question and detailed analysis of the results relative to other performance benchmarks is provided for each assessment. These extensive reports allow boards, directors and committees, the ability to easily and efficiently analyze feedback in order to improve performance.
